

Temporary and Mobile Cold Storage

Refrigeration On Demand

Availability of cold storage space changes from time to time for operators in the food and beverage industry. U-COOL Refrigeration Rental can alleviate concerns about storing perishable inventory and serving customers **during walk-in repairs, remodels, construction, and expansions.**

U-COOL Refrigeration Rental makes it simple to rent additional cold storage space **when you need it, for as long as you need it,** and then return it when your done. Simple.

Our rental equipment is used for storing and transporting fresh and frozen perishable goods for a variety of industries — including yours.

MOBILE COLD STORAGE

FRESH OR FROZEN

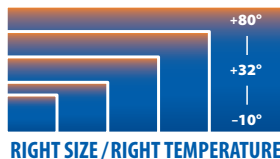

Temporary Cold Storage — Restaurants — Festivals & Events — Remodeling & Construction

The Right Size

U-COOL Refrigeration Rental provides a wide range of unit sizes to choose from. Starting with reach-in refrigerators and freezers, kegerators, mobile walk-in coolers and freezers, beer trailers, ice trailers, vans, semi-trailers, and ocean going shipping containers. Whether large or small, indoor or outdoor, we've got you covered.

The right size for the right job.

The Right Temperature

You can maintain either **frozen or fresh** perishable products with our **freezer and cooler rentals**. Our electric powered 12 ft. and 16 ft. mobile walk-in trailers can freeze, chill, or heat. All units have adjustable thermostats and an optional wireless temperature monitoring system.

The Right Service

- Open 7 days a week
- We deliver or you pick-up
- Daily, weekly, or monthly rentals
- 24 hour online reservations
- Same day and emergency after-hours delivery

Festival and Event Rentals

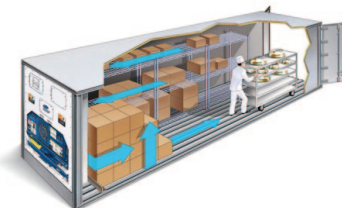

U-COOL Refrigeration Rental offers clean and secure food and beverage storage for food vendors and beer gardens.

We can provide the **right size coolers and freezers** for all your events. Our beer dispensers, coolers, and freezer units offer an excellent time saving and serving solutions for event planners, volunteers, and vendors. **Chill, store, and lock** all of your inventory in one place.

Larger Refrigerated Rentals

For larger jobs we offer 28' and 48' Refrigerated Semi Trailers with onboard diesel generators. These truck sized mobile cold storage units provide 1,200 cu. ft. to 2,000 cu. ft. of internal space for cooling or freezing.

We also offer 20' and 40' ocean-going **Cargo Shipping Containers** with 1,100 cu. ft. or 2,200 cu. ft. of fresh or frozen storage.

Rent or Buy

We have a variety of refrigeration systems available for sale, rent, or lease. Visit us online at www.ucool.biz for details.

12' and 16' Tandem Axle Trailers

Electric powered / Gas generator powered during transit
400 cu. ft. or 650 cu. ft.

Refrigerated Cargo & Beer Vans

Engine powered during transit / Electric standby
153 cu. ft.

These small and maneuverable vans and trailers run on **110 volt power**. Our trailers have on-board back-up gas generators for power outages, remote locations, or over-the-road transport.

12' Single Axle Trailers

Electric powered / Gas generator powered during transit
400 cu. ft.

Refrigerators & Freezers

24 cu. ft.
